Humanitarian Services Assessment

(Please attach additional sheets as necessary)

1. Identify the want or need: _____

2. Brief history of illness or disability: _____

3. Identify physical limitations and medical concerns. Attach two letters from personal physicians (name, address, and phone number) supporting the assessment and prognosis. _____

4. Describe the use of or need for adaptive equipment, special training, or assistance required (due to the illness) for applicant to participate in the desired hunt or hunt-related experience. _____

5. Describe hunting and other outdoor experiences occurring prior to, during, and after the illness. _____

6. The applicant needs to describe what the hunt experience would mean to him or her.

You are welcome (but not required) to submit up to 6 photos and 3 letters of recommendation from persons who are familiar with the applicant's interest in hunting. NO VIDEOS PLEASE.

- ◆ **This information database is necessary for developing a fair selection process, for preparing for public relations opportunities, and improving the overall ongoing process for the effective and efficient management of a meaningful SafariWish project. Your comments for improving the program are welcome at any time.**

Humanitarian Services
